

NBHA CONNECTICUT 01 SPONSORSHIP

The National Barrel Horse Association is a “worldwide” Non-Profit Organization with local districts.

Our group consists of all ages and skill levels with a shared passion for horses, family, and sportsmanship. Barrel Racing is a timed event where each horse and rider combination runs in a cloverleaf pattern around three set barrels as quickly as possible. This must be done without knocking barrels down or going off pattern.

We compete at various locations monthly from April/May into Late October. We host events all year long! We are a member-run club, and all money is fundraised, or donated. Sponsors, such as yourself, make it possible for our club to be successful. Sponsors help provide added money for our events and help pay the cost of our year-end awards.

We are offering a **tax deductible advertising opportunity** for your business. This can include marketing throughout the season/year on our social media pages, announcing your business at shows, hanging banners with your company name, and inclusion in barrel racing flyers, etc.

Businesses can sponsor Connecticut NBHA barrel races through added money or year-end awards. We can work with individuals to customize your donations.
